***INC. MAGAZINE NAMES CERTIFIED RESTORATION  
DRYCLEANING NETWORK TO LIST OF 5,000 FASTEST-  
GROWING BUSINESSES FOR SECOND YEAR***

BERKLEY, MI, AUGUST 20, 2008 – The Certified Restoration Drycleaning Network (CRDN), an international organization of textile restoration specialists serving the insurance industry, has been named one of the fastest-growing private companies in the U.S. for the second year in a row, according to *Inc.* magazine.

Founded in 2001, CRDN reported growth of 95.8%, which has resulted from ongoing education of the insurance industry about the cost-effectiveness of restoring damaged textiles instead of replacing them. CRDN specializes in restoring garments and other fabric items damaged by smoke, fire, water, mold or other contaminants. Covering 94% of the U.S., CRDN has achieved an average success rate of 98%, saving insurance companies millions of dollars each year.

The Inc. 5,000, an extension of *Inc.* magazine's annual Inc. 500 list, catches many businesses that are too big to grow at the pace required to make the Inc. 500, as well as a host of smaller firms. Taken as a whole, these companies represent the backbone of the U.S. economy.
